President Lisa Smith called the meeting to order at 7:00 p.m.

POLICE OFFICER REPORT: Officer Hitchens was present. He did not have a current burglary report due to shift change. Bruce Foutch brought up the Nixle Alert System. Officer Hitchens said the North Little Rock Police Department (NLRPD) was the first in the state to have this. It is an email and/or text message alert system. Go to www.nlrpolice.org and click on the Nixle icon. Officer Hitchens also mentioned the link to the ACIC website for registered sex offenders and gang activity in your area.

TREASURY REPORT: Balance as of meeting date \$425.72.

ALDERMAN REPORT: Both Alderman Gaines and Alderman Baggett were present for any questions. Alderman Gaines has a new report with area crime statistics that he will bring to future meetings. He stated that according to the recorded burglaries, Levy had a significant increase. April had 48 burglaries and May had 32. There were 7 recorded crimes in Scenic Hill during the month of May.

Alderman Gaines also discussed our neighborhood being under the Downtown Police District. He stated that although it seems far away, the response time is the best for our area.
