

SCENIC HILL
NEIGHBORHOOD
ASSOCIATION
MEETING
SEPTEMBER 10, 2009
LEVY BAPTIST CHURCH
FELLOWSHIP HALL
7:00 P.M.

From Lisa Smith, President

Had a very good meeting last month - almost 30 people attended.

It was voted that we would ask the city to obtain the property on Parkview and let it stay the way it is right now. This was voted to let this be the association's donation of doing our part in keeping the area "green". Details are in the minutes.

BLOCK PARTY

September 12th at the vacant lot on Scenic and Valley View is where we are having our annual block party. We are going to have a contest between the streets to see who has the most residents attend the block party. At 12:00 noon, we will take a count of the different streets and see who has the most residents show up. We will also give out door prizes, so come and get to know your neighbors. Since we have so much talent on the "Hill" if anyone would like to bring their own instruments, we will have a "jam" session.

I would like to thank the Block Party Committee - Carol Crow, John & Tina Patton & Randy Smith for all their hard work.

CRIME WATCH

A vehicle on 215 West Scenic was broken into and items stolen from it on either late August 16th or early in the morning on August 17th. Very unfortunate, since the residents have not lived up here very long.

A TIME TO SAY GOODBYE

We don't usually recognize when someone passes away on the Hill, but we lost a resident that has lived up here since the 1950's - Robert Goss on Sunset Lane passed from this life to the next on August 19th. Our thoughts & prayers go out to his wife Nettie Jane and his family.

VOLUNTEER HOURS

If anyone has any hours to report for volunteering, please call John DeGroot at 753-9087 and let him know your hours. We will have volunteer forms at the block party.

PORCH PARTIES

If every street could have a representative come to the September meeting, we could discuss having porch parties for each street. The representative would not necessarily be responsible for the "porch party".

BELATED THANK YOU

A belated thank you to Angie Neal for helping with the triangle area - Thanks so much, Angie.
