

*SCENIC HILL
NEIGHBORHOOD
ASSOCIATION
MEETING*
**DECEMBER 10, 2009
LEVY BAPTIST CHURCH
FELLOWSHIP HALL
7:00 P.M.**

From Lisa Smith, President -
MERRY CHRISTMAS

Great meeting with The Leadership Greater Little Rock class and a good turnout for the meeting. They are about to finish up on their study and will share that with us as soon as they are able.

We will dispense with having a business meeting this month and just vote on the fall photos and also just have a time of fellowship with our neighbors. If everyone could bring their favorite snack, I will provide the drinks and paper products. Door prizes will also be given away.

PLANTINGS ON J.D. ASHLEY DRIVE

I would like to thank Bruce & Jan Foutch and Carol Crow for coming and helping plant many, many bulbs that will grace the bottom of J.D. Ashley this coming spring. Also thanks go out to Sam Phillips and Sue Paulette for donating many of the bulbs.

LITTER PICKUP

Randy Naylor has volunteered to be our "Litter Pick-up Captain". This does not mean he is the only one to pick up litter. If you would like to volunteer to take on a section of a street (perhaps just in front of your own house), email me at scenicsmith@aol.com or call me at 791-2568 and I'll pass the word on to Randy.

TREASURER

Our new treasurer is Marge Liddle. Welcome Marge!!!! Thanks for taking on this position.

PHOTO CONTEST

Still have time to turn your fall pictures in for the fall photo contest. Come to our December meeting and help decide on the winning photograph.

CHRISTMAS DISPLAY CONTEST

I've seen quite a few Christmas lights up in our neighborhood. Of course, we cannot have too many lights!!!! We will announce the winner at our January meeting.

CRIME WATCH

There was a break-in at 24 Cliffwood Circle on Saturday, November 21st. Some items were stolen when the owner was not at home. Also it has been decided that we are setting up a google account to alert those of us who have internet access to criminal activity like this to let everyone know asap. The list is at <http://groups.google.com/group/scenicill> - you will need a Google account to subscribe which is very easy to do. I would also like to have as many email addresses as possible then perhaps I can have email captains on each street (and perhaps more on the longer streets) that would email their neighbors about various happenings in the neighborhood. And for those who have no email access, we will need to alert these neighbors as well. My email address is scenicsmith@aol.com
