

MEETING
MARCH 11, 2010
DOWNTOWN POLICE
SUBSTATION
201 E. BROADWAY
7:00 P.M.

From Lisa Smith, President -

HAPPY ST. PATRICK'S DAY!!!

Again due to late receiving of the newsletter because of the snow, last month we had a very low number of residents able to come to our meeting. I do want to thank the residents who came. Jan & Bruce Foutch, Don & Glenna Collett, Sam & Jean Wright, Scout Reed and Randy Smith.

Also because of the weather, our guest speaker, Scott Miller did not attend and it was decided that he would come and speak at the March meeting. He will be speaking on the 2010 Census which is very important to us and to the city.

Treasurer's report was \$282.43.

Again due to the weather, we would like to discuss the flooding situation in various homes on West Scenic Drive. We will discuss this situation with our aldermen to see what can be done.

Let me know if meeting at the Substation is a plus or minus in you being able to come to the meetings. I know it's further away, so we may go back to the church or I have been told we might could try to have our meetings at Pulaski Tech. Let me know your preference. With the time change it may make it easier for us to have more people come to our meetings. If you are not able to make it to the meetings, please let me know about your opinions on anything we discuss.

CRIME WATCH

The only crime that I am aware of was on 501 East Scenic which was a break-in.

MAY 8TH!!!!

SALE ON THE HILL

Mark your calendars now to help us out with our 3rd Annual Sales on the Hill. We would like to have a record number of residents participating this year.

TALENT ON THE HILL

I had a thought that since there is so much talent on the hill that I thought it would be a great idea to showcase this talent with a show of some kind. I know we have many musically talented residents and I've also heard there is a lot of talent in artwork as well. If you would be interested in having a "Talent Show" to show off your talent, please come to our April meeting in which we will discuss this in more detail. You can email me at scenicsmith@aol.com or call me at 791-2568 if you would be interested in participating in this kind of event.
