DOWNTOWN POLICE
SUBSTATION
201 E. BROADWAY
7:00 P.M.

From Lisa Smith, President -

Wonderful meeting last month. Had around 25 people attend and thank you all for coming. Very informative about the census - hopefully everyone has received and mailed theirs back in. If you don't want a visit from the Census workers, then be sure to mail your form back in.

City Beautiful Grant

We still have a little money to be spent from the City Beautiful Grant. We will decide at this meeting what to do with this extra money. It has been suggested to buy some mulch to put down at the bottom of J.D. Ashley Drive. If there are any other suggestions, please come to the meeting and let your ideas be heard.

CRIME WATCH

Have not been informed of any crime on the Hill this month.

JOHN ASHLEY DRIVE

Would like to thank Bruce & Jan Foutch and Carol Crow for planting the many bulbs last fall that are now blooming at the bottom of J.D. Ashley Drive. Also thanks to Sue Paulette and Sam Wright for their donations of bulbs.

Also would like to thank Sue Paulette for the work she has done on the triangle. Thanks Sue!!!

SCENIC HILL ARTS &
REAL ENTERTAINMENT

Again, I would like to have some kind of event that would showcase all the talented people that we have who live on our hill. If you would be interested, please come to our meeting so we might discuss this event. It may become an annual event. Perhaps we might can have it up at Pulaski Tech so we wouldn't have to worry about the weather.

FACEBOOK

We are now on Facebook at Scenic Hill Neighborhood Association. If you are on Facebook, please join our page. We have 12 members, but are always looking for more. Carol Crow has posted several pictures of the flowers that are now blooming at the bottom of John Ashley Drive.

President Lisa Smith called the meeting to order at 7:00 and led the opening prayer.

TREASURY REPORT: Balance as of meeting date \$295.43

POLICE OFFICER REPORT: Lt. Tyree was present with no reports. He stated that the police department was trying to expand the investigation of burglaries by surveying neighbors who may be present during the day. He offered forms for serial number recording and also talked about the census workers. He said they should not ask for any personal information and should have a city issued permit around their neck.

ALDERMAN REPORT: Both Alderman were present. President Smith welcomed Alderman Phillips. Alderman Phillips stated that he has lived on Scenic Hill for 40 years and is happy to be our Alderman. He encouraged anyone to give him a call if they need anything.

OLD BUSINESS:

Reminder to submit volunteer hours.

The flooding on Scenic was discussed. Aldermen Baggett and Phillips are going to visit the affected residents and see what needs to be done.

NEW BUSINESS:

President Smith asked if everyone liked meeting at the Police substation. Other locations discussed were Pulaski Tech and back at Levy Baptist. Also, we may do refreshments once a quarter.

Our special guest was Scott Miller who discussed the census. He stressed the importance for everyone to complete their census as this is crucial to government funding for North Little Rock. The form has been simplified to 10 questions and should not take long to complete. He also passed out registration forms for anyone who was filling out their census (in NLR only) to be entered into a drawing for a 42" TV that Union Pacific Railroad has donated.

ANNOUNCEMENTS: American Heart Association Heartwalk, Saturday, April 17th at Northshore Riverwalk. Registration at 8:00 a.m., walk 9:00 a.m.
