

Argenta Neighborhood Boosters

Meet The Candidates Meeting Thursday

This month we will have ALL the candidates running for the Arkansas State Senate District 34 and House District 39 at our meeting to speak and take your questions. These two Districts represent Argenta and about one-third of the entire City of NLR. Sen. Tracy Steele and Rep. Richard Carroll running for the House seat will be present along with Jay Barth and Rep. Linda Poindexter Chesterfield who are running for the Senate seat. In past years our State representatives have directed thousands of dollars in State funding to our City and organizations including the Argenta CDC and Boys & Girls Clubs. This is a very important election that will be held on May 18th. Since neither of these races have Republican opposition, the winners of the May 18th primary will be our representatives in the State Legislature. The press and other neighborhood groups will be invited, so come bring your questions and get to know your candidates so you can be a more informed voter

Thursday, May 6th, 6:00 – 7:00pm
