

MEETING
JUNE 10, 2010
DOWNTOWN POLICE
SUBSTATION
201 E. BROADWAY
7:00 P.M.

From Lisa Smith, President -

Good meeting - several candidates came and spoke at our meeting and many issues were brought to the forefront.

One of the issues brought up, was the issue of parking on the grass. Little Rock has just passed an ordinance that makes it illegal to park on the grass in residents' front yards. NLR has parking districts and we will be discussing this at this meeting. Please come and voice your opinion on this topic.

CRIME WATCH

There was a break-in on #6 West Avalon - the garage was broken into sometime during the night last month while the residents were home. A weedeater and hedge trimmers were stolen.

GARDEN COMMITTEE

It has been mentioned that it would probably take a truck load of mulch to cover all the areas on the hill (J.D. Ashley area, triangle area and maybe even the Avalon area) and also less expensive than buying the bags of mulch.

Also we need to start watering these areas and we have the covers in place, so we need volunteers to water the Avalon, J.D. Ashley and triangle areas. We will have a lock put on the covers for the water hoses. Let me know if you are interested in this volunteer opportunity.

SALES ON THE HILL

If you participated in the "Sales on the Hill" and would like to make a donation to our treasury, we would appreciate it. We have collected \$15.00 so far.

Secretary Position - Filled

Sue Paulette has graciously accepted the position of secretary. Thanks, Sue.

Names and Addresses

A couple of months ago, we delivered the newsletters by hand and we discovered a number of residents who were not receiving the newsletters or the newsletters had the wrong names on them. I would like to have some volunteers some evening help me go around and get the correct names and addresses of everyone on the hill. It would be great if I could have a volunteer from every street to help me out. And of course the longer streets could use two or three volunteers. Please call me at 791-2568 or email me at scenicsmith@aol.com if you would like to help out. If you could not make it the time we have set aside, feel free to go on your own and just let me know so I can compare with our mailing list.
